

see security with the sientra platinum20™ warranty

IT'S MORE THAN JUST A WARRANTY, IT'S OUR COMMITMENT TO YOUR HEALTH AND SAFETY.

Our Sientra Platinum20 Warranty Program is the most comprehensive and longest of any breast implant manufacturer. Not only does it provide the most comprehensive protection and longest length of coverage, it also includes the most financial assistance and least amount of warranty restrictions in the industry.

Please consult your surgeon for more information about the Sientra Platinum20 Warranty Program.

ACKNOWLEDGMENT OF INFORMED DECISION

Please read the appropriate patient brochure: BREAST AUGMENTATION WITH SIENTRA SILICONE GEL BREAST IMPLANTS or BREAST RECONSTRUCTION WITH SIENTRA SILICONE GEL BREAST IMPLANTS. These educational brochures provide you with information about the risks and benefits of silicone gel breast implants. It is very important that you take the time to read and fully understand the brochure, consult with your surgeon, and ask any questions you may have. You will also be asked to sign the Acknowledgement of Informed Decision Form in the brochure.

TERMS AND CONDITIONS

For full Terms and Conditions of the Sientra Platinum20 Warranty Program, write to us at warranty@sientra.com, call 888.708.0808, or visit us at sientra.com/resources

IMPORTANT SAFETY INFORMATION:

Sientra's Silicone Gel Breast Implants are indicated for breast augmentation in women at least 22 years old and for breast reconstruction. Breast augmentation includes primary breast augmentation to increase the breast size, as well as revision surgery to correct or improve the result of primary breast augmentation surgery. Breast reconstruction includes primary reconstruction to replace breast tissue that has been removed due to cancer or trauma or that has failed to develop properly due to a severe breast abnormality. Breast reconstruction also includes revision surgery to correct or improve the results of a primary breast reconstruction surgery. Breast implant surgery is contraindicated in women with active infection anywhere in their bodies, with existing cancer or pre-cancer of their breast who have not received adequate treatment for those conditions and, who are pregnant or nursing. Key complications include capsular contracture, implant removal, rupture and reoperation. For more detailed information about the risks and benefits of Sientra breast implants, please visit sientra.com/resources or call Sientra at 888.708.0808. Sientra breast implants with high-strength cohesive silicone gel are only available through board-certified or board-eligible plastic surgeons. The sale and distribution of this device is restricted to users and/or user facilities that provide information to patients about the risks and benefits of this device in the form and manner specified in the approved labeling provided by Sientra, Inc.

SEE SAFETY AND SIMPLICITY IN A SINGLE CARD

You are unique and so is your breast implant. Sientra stamps each breast implant with a unique serial number. After your surgery, you will receive a Patient Device Identification and Limited Warranty Card from your plastic surgeon. This card will list the serial number of your implant. Additionally, it will confirm your enrollment in the Device Tracking Program and in the Sientra Platinum20 Program.

If you do not receive the card (shown above) or to confirm warranty has been activated, please contact our Product Support Team at 888.708.0808 or email us at warranty@sientra.com

IF YOU NEED TO MAKE A WARRANTY CLAIM, SIMPLY CONTACT US AT:

- 888.708.0808
- warranty@sientra.com

PLEASE HAVE AVAILABLE WHEN YOU CALL OR INCLUDE IN YOUR EMAIL:

- Implant serial number
- Implant style catalog number
- Implant surgery date
- Name of implanting plastic surgeon
- Name of your current plastic surgeon (if different from above)

Our goal is to make filing a claim as smooth as possible and, if needed, our Product Support Team can walk you through the process and assist you with the information. Also, you can always access warranty information at sientra.com.
